The **BRONZE PACKAGE** is perfect for the bride on a budget. I can shoot your wedding and reception if in the same building or you choose which you would like photographed. This package only comes with online proofs or a CD of proof photographs.

The **SILVER PACKAGE** gives you twice as much shooting time as well as a full set of 4x6 printed proofs to view.

The **GOLD PACKAGE** gives you more shooting time, a selection of photographs to keep or give to friends and family, a 20 page wedding album as well as the bride's choice of a Bridal Portrait or an Engagement Portrait. Either portrait comes with one 8x10 photo matted in a 16x20 frame that your guests can sign.

The **DIAMOND PACKAGE** has all of the above, includes more shooting time, and includes both a Bridal Portrait and Engagement Portrait.

Custom packages are not a problem. Contact me and we can work out a price for a group of features that will please us both. For example, if you like the Silver package but would rather have an engagement portrait than a wedding album, we can substitute one for the other.
